Continuing Education will be available at these programs.

Alabama's PDMP: Taking Knowledge and Skills to the Next Level

Locations: Montgomery Birmingham
Huntsville Mobile

Target Attendees:

- Pharmacists
- Pharmacy Technicians
- Physicians
- Physician Assistants
- Nurse practitioners
- Nurses
- Dentists
- Podiatrists
- Optometrists
- Veterinarians
- Midwives with prescriptive authority

Tentative Agenda: 8 a.m. - 3 p.m.

These programs will advance attendees' knowledge regarding PDMP use. Specifically, the programs will enhance PDMP users' ability to appropriately and optimally use the PDMP within their unique professional environment under current rules and regulations. Emphasis will be placed on understanding how to retrieve, interpret, and apply information stored within Alabama's PDMP. Additionally, attendees will actively participate in discussions regarding common challenges, pitfalls, and best practices for PDMP use.
